## Step 1

Print the images

## Step 2

Cut out the pool  
and the 8 fish

## Step 3

Play with your friends or family!

### Rules of Crabs :

Each payer selects 4 identical fish, and on each turn, places one on the board.

The goal of the game is to line up 3 fish diagonally, vertically or horizontally. If the grid is completed without any players lining up their fish, then there is a tie.
